

Curriculum Vitae (CV)

Ali Darvishpoor Kakhki

Educational Level: B.Sc., M.Sc., PhD

Academic Level: Associate Professor

Mailing Address: No 31, Danesh Kian Street, Vali Asr Avenue, Vali Asr Square, Tehran, Iran.

Academic Address: Department of Medical-Surgical Nursing, School of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences, Tehran, Iran.

Phone (Work): +98-21-88202511

Fax (Work): +98-21-88202521

Cell Phone: +98-9126203976

E-mail: darvishpoor@sbmu.ac.ir; ali.darvishpoor@yahoo.com

EDUCATION:

- Bachelor of science in nursing of Zahedan University of Medical Sciences in June 2001.
- Master of science in nursing (medical-surgical nursing) of Shahid Beheshti University of Medical Sciences in July 2004.
- PhD in nursing (gerontology nursing) of Shahid Beheshti University of Medical Sciences in September 2010.

HONORS AND AWARDS:

- The best student at Zahedan University of Medical Sciences in 2000.
- Three times the first grade in PhD examination of nursing in Iran (2003, 2004 and 2005).
- My thesis selected as the best research project of Faculty of Nursing and Midwifery by research deputy of Shahid Beheshti University of Medical Sciences in 2005.
- The second grade in competency evaluation of nursing faculties' of Shahroud University of Medical Sciences in 2006.
- Selected as the best researcher student of Shahid Beheshti University of Medical Sciences in 2008 by research committee of Shahid Beheshti University of Medical Sciences.
- My article about "*Compare quality of life of TB patients with diabetic patients referred to Tehran Hospitals*" selected as the best article of postgraduate students of Shahid Beheshti University of Medical Sciences in 2008 by research committee of Shahid Beheshti University of Medical Sciences.
- My article about "*Quality of life of diabetic patients referred to Tehran Hospitals*" selected as the best article of students of Shahid Beheshti University of Medical Sciences in 2009 by research committee of Shahid Beheshti University of Medical Sciences.

●The first grade of graduated students of postgraduate education of Faculty of Nursing and Midwifery of Shahid Beheshti University of Medical Sciences in 2010.

THESIS AND DISSERTATION:

Master's Thesis

●Development of a Valid and Reliable Scale to Measure Diabetic Clients' Quality Of Life (DCQOL). Master's Thesis at Nursing (Medical-Surgical Nursing), Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences, July 2004, Tehran, Iran.

PhD Dissertation

●Health Concept in Aging and Development, a Valid and Reliable Instrument to Measure Health Status of Older People. Doctoral Dissertation of Nursing (Gerontology Nursing). Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences, September 2010, Tehran, Iran.

RESEARCH PROJECTS (FUNDED)

●***Darvishpoor Kakhki A***, Abed Saeedi Z, Yaghmaie F, Alavi Majd H. Development of a valid and reliable scale to measure Diabetic Clients' Quality Of Life (DCQOL). Research Deputy of Shahid Beheshti University of Medical Sciences, July 2004, Tehran, Iran.

●Fallah Tafti S, ***Darvishpoor Kakhki A***, Saber M. Translation of St George Questionnaire to Persian Language. National Research Institute of Tuberculosis and Lung Diseases, November 2004, Tehran, Iran.

●***Darvishpoor Kakhki A***, Etaati Z, Mirsaeedi SM, Masjedi MR, Velayati AL. Quality of life of TB patients referred to Masih Daneshvary Hospital in 2005. National Research Institute of Tuberculosis and Lung Diseases, September 2004, Tehran, Iran.

●***Darvishpoor Kakhki A***, Montazeri A, Ebrahimi H, Janati Rad S, Kazemi S. Health status of nurses in hospitals of Shahroud University of Medical Sciences in 2005. Research Deputy of Shahroud University of Medical Sciences, September 2005, Shahroud, Iran.

●***Darvishpoor Kakhki A***, Abed Saeedi Z, Delavar A, Saeed-O-Zakrin M. Health concept in aging. Research Deputy of Shahid Beheshti University of Medical Sciences, July 2008, Tehran, Iran.

●***Darvishpoor Kakhki A***, Abed Saeedi Z, Delavar A. Development a measurement model and instrument to measure health-related quality of life of older people. Research Deputy of Shahid Beheshti University of Medical Sciences, February 2013, Tehran, Iran.
